

Mazarron Country Club - on Mazarron/Totana motorway RM-3 (and how to get there and back from Alicante-Elche airport - ALC)

Revised in July 2016

Coming from the direction of Alicante-Elche airport – IATA Code: ALC

- Immediately on leaving the airport, you will go round an elevated roundabout; take the 2nd exit to join the N338 in the direction of Murcia (signposts mention [Madrid]/Valencia/Murcia)
- After a few Km, exit N338 onto autovia A7-E15 at junction 72, ignoring signs for Alicante/Valencia, and follow signs for Murcia/Almería/Granada (some may also mention 'Andalucia')
- Some distance later (maybe 20-25km?) the motorway splits; follow the two left-most lanes for Murcia (the two right-most lanes are the toll motorway AP-7 for Torrevieja/Cartagena, which you should **NOT** follow)
- Continue on autovia A7-E15 for Almería/Granada until you reach Alhama de Murcia (mostly straightforward, but see next paragraph)
- NB/ Going through Murcia city, the A7-E15 merges for a period with the A-30 (Albacete to Cartagena motorway); soon after going round a quite sharp left curve you will see a branch of the *El Corte Inglés* department store (off to the left of the motorway), and very soon after this (just a few hundred metres) you need to get into the right-hand exit lane where the A7-E15 splits again from the A-30 (there is a very large yellow sign with black writing in Arabic, indicating the exit), from where the route to follow on the A7-E15 becomes very straightforward once more
- At Alhama de Murcia take exit 601b for Mazarrón/Fuente Alamo (you get into the exit lane for exit 601, but do not exit at 601a, instead continue in the exit lane for a few hundred more metres to exit 601b) NB/ Junction formerly numbered “627”
- You will be joining the RM-2 motorway in the direction of Fuente Alamo/Cartagena
- After about 4-5 Km take exit 4 for Mazarrón onto motorway RM-23, for another 7-8 Km until it merges with the RM-3 motorway from Totana to Mazarrón
- Join new RM-3 motorway in the direction of Mazarrón
- Exit at Jt 20 marked 'Urbanización Country Club', about 4Km after the exit for 'Urbanización Camposol'. Turn sharp left on the round-about and cross the fly-over across the motorway. Go straight across the round-about at the other side, following 'Urbanización' sign.
- The entrance into Mazarron Country Club is on the right just after passing a garden-centre, also on the right (you will see a small white sign "Finca Isavera" just at the entrance)

To Return to Alicante-Elche airport – IATA Code: ALC

- Turn left on exiting MCC and join MU-603 (this is the old 'feeder' road running beside the new Mazarrón/Totana motorway RM-3)
- After a couple of hundred metres, join RM-3 at Jt 20, and follow signs for Totana
- Soon after passing 'Urbanización Camposol', about 5 Km up the motorway, take the right split on the motorway (Jt 11) and join RM-23 to Alhama de Murcia/Murcia/Alicante
- The RM-23 motorway ends in a large roundabout, passing under the RM-2; go around and under the motorway, joining the RM-2 in the direction of Alhama de Murcia/Murcia/Alicante
- Follow signs for Murcia/Alicante onto Autovia A7-E15
- Continue until junction 72 where you should exit and follow signs for the airport
